Dear Friends of The Ames Foundation:

Enclosed you will find sponsorship information for The Ames Foundation's upcoming Deuces Wild! Dueling Pianos fundraising event that will take place on Friday, November 1, 2013 at the CPMI Event Center. This is a repeat, sell-out event for the Foundation which has raised more than \$25,000 over the past two years.

The Ames Foundation strives to enhance the quality of life and create a greater sense of community for the citizens of Ames. Foundation projects have benefited education, recreation, the arts, historical and cultural preservation, the Ames Public Library, and the beautification of the city's public grounds. The work of the Foundation contributes to making Ames a nurturing environment in which to live and do business. Sponsorship of our annual fundraising event would partner you in an opportunity to create an even more beautiful and vibrant Ames.

As a sponsor, you or your organization will be recognized in all event publications as well as at the event itself. Additionally, a number of event tickets are included at each level, and reserved seating is a valuable component of three of the five sponsor packages.

While we ask that the sponsor form be returned at your earliest convenience, payment may be submitted at any time before September 15, 2013, either by cash, check or credit card.

It is our hope that you will find a sponsor level that will allow to you join us at this event. Regardless, thank you for your consideration of our request.

Sincerely,

Carolyn Klaus
Sponsorship Chair
